

**Dear Sir or Madam,**

Necesitamos est

With regard to your posting for a Special Needs Teacher, I would like to offer myself as a candidate for the position. I am a qualified Primary School Teacher with a specialization in Special Needs Education, and I have relevant experience supporting children with diverse educational needs both in Spain and in Ireland.

I completed my degree in Primary Education with a focus on Special Needs at the Complutense University of Madrid. Since then, I have worked in various educational settings, including home-based therapy for children with Autism Spectrum Disorder, where I focused on enhancing social interaction and communication skills. In Ireland, I worked as an Early Childhood Educator at Little Apples Academy and as a Childcare Practitioner at Giraffe Childcare, where I supported children aged 1 to 8 years. I have also taken part in English immersion programs, delivering learning experiences fully in English for primary and secondary students.

I am a caring and empathetic professional, fully committed to inclusive education and supporting each child's unique learning process. I always strive to build a trusting relationship with students and families, and I believe that a warm, structured, and motivating environment is key to meaningful learning. I am fluent in both English and Spanish and confident working in multicultural and multilingual settings.

I would be delighted to further discuss my application with you in an interview. Please find my CV attached, and do not hesitate to contact me at your convenience.

Kind regards,

**Candela Gutiérrez Muñoz**
