**PLEASE INDICATE HOW YOU THINK YOUR EXPERIENCE/SKILL(S) CAN ASSIST IN THIS PARTICULAR POST**

**NOT MORE THAN 150 WORDS**

I hold a degree in Primary Education with a specialisation in Special Needs, and I have supported children with Autism Spectrum Disorder and diverse learning profiles both in inclusive classrooms and through one-to-one home-based interventions. I designed individualised activities focused on communication, sensory integration, and emotional regulation. In Ireland, I have worked in early years settings with children aged 1–8, developing strong behaviour management and care routines tailored to each child's needs. I also took part in English immersion programmes that enhanced my ability to differentiate instruction and manage group dynamics. I am calm, empathetic, and responsive to each pupil's pace, always fostering a structured, nurturing, and engaging environment. I believe my hands-on experience, adaptability, and commitment to inclusive education align well with the values and needs of your school, and I am confident in my ability to support its students' holistic development.

**PLEASE INDICATE HOW YOU THINK YOU CAN CONTRIBUTE TO THE ETHOS AND SUCCESS OF THIS SCHOOL**

**NOT MORE THAN 150 WORDS**

What draws me to this school is its commitment to dignity, respect, and individualised support—values I fully share as an educator. I thrive on building meaningful relationships with students and tailoring my approach to their emotional and developmental needs. My background spans home-based therapy, inclusive classrooms, early years care, and immersion programmes, which has made me highly adaptable and attuned to diverse learning styles. I bring a calm, patient presence and a strong belief in progress through consistency and empathy. I am eager to contribute to a collaborative team that prioritises student well-being, celebrates small achievements, and upholds a nurturing, inclusive ethos.

**ADDITIONAL INFORMATION (NOT ALREADY MENTIONED) TO SUPPORT YOUR APPLICATION****NOT MORE THAN 150 WORDS**

In my free time, I enjoy outdoor activities such as hiking. I also frequent contemporary art exhibitions and international restaurants.

During my last year of university, I took part in the Erasmus+ program in Switzerland. This experience allowed me to improve my English and develop a strong multicultural perspective by connecting with students from all over the world.

As a teacher, my greatest strength is patience. What I value most about working in Special Education is the close, individualized attention I can give to each student. Identifying students' unique strengths and challenges, and building a personalized learning path that supports their growth is what drives my passion for teaching.

I do not yet possess my teaching council number, however, I have already applied and I expect to get it in about one month.
